PETITION FOR PEREMTORY AND PERMANENT GREAT WRIT OF MANDAMUS

Petitioner at all times mentioned in this petition resides in Genesee County in the city of Grand
Blanc, in the State of Michigan.

JURISDICTION

This Court holds original Jurisdiction over this Const. 1963, Art XI, § 5, Eff. Jan. 1, 1964.

And Jurisdiction is proper because there are FEDERAL QUESTIONS OF LAW AND BASIC
CONSTITUTIONAL RIGHTS WHICH NEED TO BE PROTECTED.

MANDAMUS

STATEMENT OF FACTS

Petitioner has requested respondent Commissioner of the IRS Doug Shulman under FOIA and through Praeipce to produce the necessary oath and qualifications of his alleged agents to ensure they are not impersonating government officers and that they are not usurping authority were no authority exists. ***Per Ryder v. United States, 115 S. Ct. 2031, 132 L. Ed .2d 136,515 U.S. 177,*** I have a right to request the necessary oath and qualifications of any alleged officer before participating in the alleged allegations such as the placing of a notice of lien upon my properties, stating that monies our own in a certain amount. I have acted honorably at all times never refusing to resolve this matter in the opposite. I had tendered a promissory money note for the alleged obligation with the Treasury, and also the Internal Revenue Services, in which I have requested someone with the proper qualifications to do a presentment as required under UCC 3-105 so that I can resolve this matter immediately. As to this time, I have not received the necessary qualifications, nor has any one shown that they have authority to place a notice of lien upon my properties within the County Recorder's office, nor has any person dated presentment of the promissory money note. Instead, I have received numerous threatening letters demanding that I pay money and to this day I have still not received the necessary qualifications required under the United States Constitution, and also the constitutional Michigan. Petitioner has always acted honorably with respect only demanding my rights to determine whether or not the persons trying to extort money without due process and issuing summonses without authority if not properly qualified. Petitioner has always stated that I would honor any lawful obligations and that I demand all my rights at all

times in refusing no rights at any time, especially the right to know whom I am dealing with. At that point once it is determined that all parties are qualified. I then have rights protected such as an appeal and negotiation rights to determine a proper and lawful amount owed if any.

Petitioner would like to make it very clear that I am not a tax protester, I have rights that I have asserted in order to determine who I am dealing with, once it is determined that all parties have their necessary oath and qualifications, I will have an understanding that the agent has taken an oath not to violate my constitutionally protected rights and has the necessary fiduciary bonds to have liability for any damages caused by the violation of the oath. I will be happy to resolve this matter. There have been numerous claims that there are payroll taxes owed, I have not seen one affidavit from any alleged agent testifying to the truth of the allegations, which makes me wonder who I am dealing with and whether or not they have authority to make a claim were no claim exists or where I have a right to dispute the claim. In order to determine what is owed and not owed.

Petitioner is naturally born as a sovereign citizen of Michigan. As shown by the certificate of live birth. Attached hereto and incorporated herein.

Petitioner has sovereign rights in once again demands all my rights at all times refusing no rights at any time.

Petitioner has requested the oath and qualifications under FOIA's on more than one occasion and has not received the necessary qualifications as to this day. Petitioner has attached hereto and incorporated herein FOIA request.

Petitioner has filed the great writ having exhausted all administrative remedies and being forced to do so, by threatening letters, issuance of summonses and demands made upon

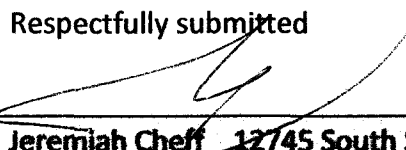

myself, petitioner has acted honorably trying to resolve this matter administratively without any success therefore filing a Great Writ of Mandamus so that this matter can be resolved immediately.

Petitioner has filed a Great Writ of Mandamus. Not to hinder or delay any administrative process only to have the FOIA request honored so that we can immediately move forward and resolve the matter.

WHEREFORE; Petitioner request is Hon. Court grant this Great Writ of Mandamus, which has only been made in order to protect my afforded the by both the Federal and State Constitutions, exhausting all my administrative rights, never receiving the necessary oaths and qualifications as required by both the Federal and State Constitutions as requested by more than one occasion true Praeipce and FOIA. Petitioner eagerly awaits necessary qualifications, so that the alleged tax issue may be resolved. Petitioner has not made this request in order to hinder or delay in anyway only to protect my rights. Once it is determined that the alleged agents have authority and are not usurping authority all matters can be immediately resolved. And for any and all other relief that this Hon. Court deems just and proper for a circumstance such as this.

The constitutional oath of office is important enough that the first official act of Congress in 1789 set requirements for the oath in place. See I Stat. 23. The Constitution of the United States mandates a constitutional oath of office in Article VI, Clause 3. The requirement for civil commissions is in Article 11 § .2.Clause of the Constitution.

Requirements for civil commissions were particularized in *Marbury v. Madison* , 5 U.S. 137, 2 L. Ed. 60, 1 Cranch 137 (1803), and *United, States v. Le Baron*, 60 U.S. 73 (1856), Requirements for surety bonds arise from common law doctrine and statutory law. See particularly, 26 USC § 6803. 7101. 7102 & 7485. 26 CRF §§ 301.7101-1 & 301.7102-1 And 31 USC § 9303.

Collateral issues other than the above requests intended to document your personal standing will be addressed separately from this request.

You may provide the requested items within a reasonable period of twenty calendar days from receipt of this request. See the Administrative Procedures Act for deadlines. In the alternative you may recuse yourself from this case so long as you provide written notice. In the event you do not formally recuse yourself. You may be considered a party to any past or subsequent adverse action. You may withdraw any and all claims. Demands and/or encumbrances issued directly or indirectly within scope of your alleged administrative authority.

This praecipe is made as a prerequisite to filing a **Writ of Mandamus** to compel your performance in the event you fail to act in the manner prescribed by law. This praecipe is an exhaustion of all statutory and administrative remedies prior to compelling your performance by an extraordinary writ.

I only make this praecipe in that the hope to have my God given right to enjoy and be able to better my life, which I have been deprived of by the actions of your alleged agent Nancy Allen.

This is my 2nd request under [FOIA]. For the production of documents Nancy Allen received a [FOIA] request on about April 26, 2012. See attached FOIA request. I have not

Demand for public records request

received a response to the April 26, 2012 request, which is a clear violation of FOIA, instead. I have been threatened and retaliated against by the letter I received dated May 18, 2012.

You can see by the attached [FOIA] request dated April 20 16,012. I have honored and discharge all obligations as required by law. If for any reason you cannot accept our you refused to accept the attached UCC instrument, Promissory Money Note held by you're a alleged agent Nancy Allen Please do not hesitate to contact me by mail informed me of what form of instrument such as M1, M2 or M3. You would allow me to discharge this obligation, and if you have the necessary documents or forms that your office may need to honor my presentment. Please forward them immediately.

Douglas H. Shulman I would hope that you would honor the instrument that was presented your office. Under *HJR 192 public Law 73 - 10 and ECC 10 -104*, being or should be held by your alleged agent Nancy Allen.

I Jeremiah Cheff acting honorably refusal rights at any time, and demand all my rights at all times, including my rights to any appeals and any and all due process of law requirements. At this time, I do not feel that there is a need being that your alleged agent Nancy Allen is not presented me with any qualifications required under law, placing notices of liens on all my properties and recording a notice of lien with the county recorder damaging my standing within the community, my reputation and my credit. I believe that she is placed these notices of liens to retaliate against the requested has been made. Under FOIA, that she is intentionally violating, I believe that she is placed a notice of lien within the County Recorder's office with the intent to turn it into a lien knowing that the County Recorder can only return liens not notices of liens. By the actions of your alleged agent Nancy Allen, she is not placing your required bond to uphold your fiduciary responsibility not to violate constitutionally protected rights. I have never refused to act honorably, nor have I ever refused to pay any lawful obligations. I only demanded my rights and protections under both the Federal and State Constitutions. I have attached a copy of the promissory money note that was sent to your agent or your inspection.

You are hereby respectfully ordered and commanded by the Great Writ of Praeipce to perform a lawful function that your office requires you to do and is simultaneously required by your oath to uphold the Constitution of the United States of America, the Bill of Rights and the Constitution of the State of Michigan, which makes it a crime for a public official to be in dereliction of his/her duties and Interfering With Civil Rights. This may also cause a vacancy of your office. You are hereby respectfully commanded to take immediate action in regards to this request. However, if I am mistaken please inform me as to what office in government would be most efficient in effectuating a remedy to the victim of this type of act. Please contact me upon receipt of this instrument in the event that I must also make official reports on your own existing forms to assure your performance in this matter.

Under this request, I would like a copy of the Oaths, Qualifications and bonds of Commissioner of Internal Revenue Douglas H. Shulman and Nancy Allen as required to be kept in your records book.

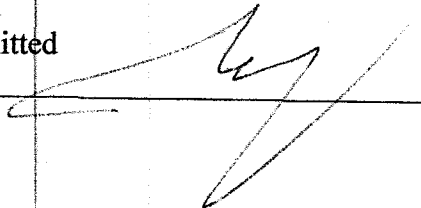

Demand for public records request

Under the United States Constitutional, and the Constitution of Michigan, any and all of your agents should have their Oaths and Bonds immediately accessible, so I would hope that it doesn't take your office the twenty days allowed under [F.O.I.A.] to produce these documents so that I can confirm that yourself and your agents are properly in office, this being the 2nd request indeed more than 21 days since the first request.

If you cannot produce these documents, please do not hesitate to let me know as soon as possible of your mistake in regards to me being a "tax payer" and owing these alleged taxes, so that we can in good faith proceed in fixing the problem and immediately vacating the agreement, if I do not hear from you within 21 days. I have no choice other than to commence an action in Mandamus to compel you to do what the law requires each of you to do, and I will consider that by your acquiescence. You have accepted honored and discharged the alleged obligations as required by law.

I Jeremiah Cheff, have come to realize that it according to the "Summary of the conference agreement on H.R. 2676, the Internal Review Service Restricting and Reform Act of 1998" the IRS falls under the Fair Debt Collections Practices Act as a debt collector, therefore you are to respond to demand for validation attached hereto and incorporated herein. I would respect that you honorably remove any derogatory statements, notices of liens filed with the recorder's office immediately from all credit reporting agencies and all recorders offices.
